

A Project Impact and WS/FCS Partnership

BECOME A READING WARRIOR

The Need

Right now, only about half of WS/FCS third graders are reading at grade level. 95% of children have the capacity to learn to read. This is mission critical. With your support we can make this a reality.

The Mission

Project Impact and WS/FCS are organizing an army of Reading Warrior volunteers - people like you who know that reading is essential for success in life. People, like you, who believe it is our duty as a community to support WS/FCS students and help them learn to read.

The Support

You'll get all the tools you need to succeed. Training. Materials. Check-ins. An easy-to-use curriculum. Our kids just need you!

To Volunteer

To sign up to be a Reading Warriors tutor, follow the steps below.

- Go to wsfcsvolunteers.com to fill out a volunteer application to be eligible to volunteer in WS/FCS.
- Select a Reading Warriors participating school using the "School or Group" drop-down menu.
- Fill out the rest of the form and chose "**Project Impact: Reading Warriors**" at the bottom of the form.
- Once you submit your application and are approved to volunteer, someone from Project Impact will contact you with further information and instructions.

HELP TEACH A CHILD TO READ
CHANGE A LIFE

Please be the champion our kids need now! Become a Reading Warriors volunteer!

As a Reading Warrior, you'll be part of an all-in community effort to close the childhood literacy achievement gap.

The Goal: 90% by 2025, or in other words ensure 90% of first grade students reach grade-level proficiency by the end of third grade in 2025.

The Battle Plan: Reading Warriors volunteers, like you, are a major component of our efforts to succeed. You, along with great quality classroom instruction, support and interventions in school, and increased wraparound services for students, will give our students the backing they need.

The Details: You'll tutor either a kindergartener or first grader for 30 minutes twice weekly. You select from one of the 19 Reading Warrior schools based on your schedule and times available for tutoring at various schools. Tutors receive 12 hours of in person training. The training is completed over 2 days (6 hours per day).

**Our community's success
depends on our children's success.**
